

LABOR DAY FIXED  
BY A SENATE LAW.FIRST MONDAY IN SEPTEMBER  
MAY BE OBSERVED.

Upper House Agrees to the Proposition Made by Representatives of Organized Labor—Hill's Arrangement of the Democratic Party a Theme of Talk at the Capital.

WASHINGTON, June 22.—In the senate today the bill passed making labor day, the first Monday in September, a legal holiday. Hill's arraignment of democracy is still the theme of comment. The New York man said in part: "There are honest differences enough already existing among party friends relating to the details of legitimate tariff legislation which necessarily had to be reconciled without going out of our way to seek fresh causes of contention in an effort to incorporate this tax upon a measure for the revision of the tariff. It would have been good politics to have avoided this unnecessary issue. Prudence dictated that this congress should not attempt to formulate new democratic doctrines to which we have been committed. Rather should it carry out the pledges that we have already made. Perhaps I overestimate the importance of party platforms and appreciate too keenly the binding obligations of party pledges. I believe that it is the solemn duty of a political party to redeem the promises upon which it obtained power and that repudiation thereof will sooner or later bring disaster upon it at the hands of a betrayed and indignant people. For one I protest against the repudiation of the promises of the democratic party in order to adopt and carry out the promises of the populist party. The most disastrous defeat ever experienced by the democratic party in Oregon was the result of the effort to substitute new-fangled populist principles for the good old principles of true democracy. Here and now I venture the prediction that the same result will follow the same effort everywhere."

Senator Hill presented a petition from a number of prominent business men of New York city asking that the income tax be stricken from the tariff bill.

"This is essentially a war tax," continued the senator. "Heretofore we, as democrats, have clamored against it and others like it. Look at the spectacle which we now present. If this is the best leadership which we can present in this great crisis I, for one, must decline to follow it. This is a tax the imposition of which will drive New York, New Jersey and Connecticut into the republican column, there to remain; a tax suggested, advocated and now persistently pushed by a majority which is temporarily in the saddle in this congress and is driving the democratic party with reckless and headlong speed into the abyss of political ruin. In their mad haste to attack the rich the champions of an income tax either intentionally or inadvertently assailed the poor. Until the amendments relating to savings banks were offered yesterday in the senate the program of the majority here seemed to be to place such institutions on substantially the same level with business corporations and to subject them to the 2 per cent tax. If there was any other intention it was not apparent."

"I have not had time to examine those new amendments, which are for the first time printed and placed upon our desks this morning, to determine whether they contain an absolute exemption of mutual savings banks or not, but from hearing them hastily read at the secretary's desk yesterday I fear they are not sufficiently broad to accomplish that purpose. This government can not afford to permit the savings of the poor to be taxed through a general income tax. It would be the crowning infamy of this bill."

After Mr. Hill concluded his speech Senators Allen and Chandler renewed their controversy of Wednesday and bitter recrimination were indulged in. Mr. Hoar (rep., Mass.) then made a long argument against the income tax. Mr. Aldrich moved that the date on which the income tax should cease be Jan. 1, 1898. The amendment was defeated 33 to 39. All the democrats voted against it, together with Messrs. Dubois, Teller and Mitchell of Oregon, republicans, and Allen, Kyle and Peffer, populists. Mr. Hill, who was present, did not vote. The finance committee amendment fixing the time limit during which the tax was to run at Jan. 1, 1900, was then agreed to.

**Will Not Prosecute Politicians.**  
WASHINGTON, June 22.—A rumor has been in circulation about the capital that it was the intention of the civil service commission to prosecute all federal officeholders who attend political conventions. This was denied today by Civil Service Commissioner Roosevelt, who said the commission had no authority to take such action. The rumor, he explained, probably had its origin in the reinsurance of President Cleveland's famous order of 1886 relative to politics in the administration of government affairs.

**In the House.**  
WASHINGTON, June 22.—The house was called to order by Mr. Bailey yesterday, the speaker being still unable to be present. After some unimportant business debate on the anti-option bill in committee of the whole was re-

sumed and after a brief discussion the order adopted Wednesday to close all debate at adjournment yesterday was modified so that two hours be given to debate under the five-minute rule and the offerings of amendments to the bill after the morning hour to-day. It was further agreed that Mr. Hatch be allowed one hour additional to close the debate.

Corn has been retarded, but extensive, though not general, rains have given satisfactory advancement, and the outlook is generally splendid.

HUNS MASS TO FIGHT  
THE STATE TROOPS.WARLIKE PREPARATIONS BY  
STRIKING MINERS.

Governor Pattison Sends Two Regiments of the National Guard to Walston, Pa.—Miners in Springfield, Ill., Return to Work—General Labor News.

PUNXSUTAWNEY, Pa., June 22.—Walston contains about 2,000 foreigners, who are in a warlike attitude. The mine officials are in town and the Italians and Huns are running things at the mines to suit themselves. An additional lot of firearms was purchased yesterday, and hardware merchants could have sold 100 rifles if they had them. Few English-speaking miners are now in Walston. Those that are there are compelled by the foreigners to stay, as their lives are threatened if they attempt to leave.

The citizens of Punxsutawney and Clayville are much alarmed at the present critical situation and are holding a joint mass-meeting to take some action in regard to bringing in guards and undesirable men.

The pumps are compelled to leave the pumps and the mines are rapidly flooding with water. John Snyder, mine superintendent at Walston, was compelled to leave. A company of militia is expected soon from Ridgeway and the balance of the two regiments will arrive today. The foreigners understand that the troops are coming and the railroads and highways leading from this place into Walston are swarming with hordes of Italians and Hungarians wrought up to the highest pitch of excitement.

The greatest fear now is that there will be an attack upon the English-speaking miners and their families. They have been driven from their houses and in the darkness fathers and husbands have been separated from their wives and children and the women and children are running around crying and calling aloud for protection.

The miners felt confident that the operators would show signs of weakening and are disappointed. The strike will continue.

COLUMBUS, Ohio, June 22.—The convention of the Ohio miners adjourned yesterday after deciding upon several minor details relative to the scale of prices to be paid machine miners, and passing three or four resolutions, the most important of which was one favoring the fixing of the scale semi-annually instead of annually. ## League of Republican Clubs.

DENVER, Colo., June 22.—The seventh annual convention of the National League of Republican clubs will meet here next Tuesday. The question of changing the basis of delegate representation in national Republican Presidential conventions will be presented for consideration. If adopted the representation in the next convention, said Secretary Humphrey, will be two delegates at-large, one for each congressional district, and other delegates to be divided among the states according to the vote cast at last Presidential election, one additional for every 70,000 votes. The chief advantage urged in behalf of this plan is that then the power in the convention would be concentrated where the votes come from.

Wilna Jones has been quite sick with the same trouble affecting other children and grown people also—fever and sore throat—for two or three days. Druggist Arthur McClafferty who has been so sick and out of his mind for more than a week, died quite suddenly Friday night. He was strong enough to go out and ran across the road only two or three hours before he died. The funeral will be held this afternoon at the M. E. church, Rev. George Burdick officiating, assisted by Rev. Summers. The closing exercises of the high school occur one week from next Tuesday, July 3, in the evening. There are three graduates this year: Misses Helen Swaney, Maggie Riley and Agnes Stockman. Mr. and Mrs. Will Gates went to Darien Tuesday to attend the funeral of Mrs. Gates' cousin, Mark Dixon. Mesdames John Owen, Gene Thorpe, Coakley and Gilbert Thorpe attended the funeral of Mr. Palmer at his late residence near Lima on Tuesday. Mr. Butts, of Evansville, is visiting his father here this week. Mrs. Mary Spaulding is quite sick. She has been poorly some time. Pheba Coon of Walworth stopped one night in Milton Junction on her way home from the association at Dodge Center, Minn. Charles Huff and Miss Minnie Pellett of this place were married June 19 by Rev. Summers. Al. Vincent returned from a northern trip Wednesday. Cards are out for the wedding of Ered Campbell of Edgerton and Allie Carr of Milton Junction, to take place next Wednesday. Two young men evangelists are holding meetings here this week at the M. E. church. They are Moody converts and are working for no denomination. G. H. Butts is making some extensive improvements on his house west of town. Rev. Mr. Summers returned from attending the district league convention at Waterloo Thursday.

#### EVANSVILLE NOTE AND COMMENT.

Marriage of Miss Gertrude Libby to Ed. Fischer—Two Deaths.

EVANSVILLE, June 22.—Rev. Mr. Davis stepped into William Libby's parlor last evening and said a few words which made Miss Gertrude Libby Mrs. Ed. Fischer. The bride has always resided here and is deservedly popular. The groom was formerly prescription clerk in a local drug store, but is now proprietor of a neat pharmacy at Monticello. All join in wishing them prosperity. George Laggart, aged about 61 years, died here Wednesday, June 20. Mr. Laggart had lived in Evansville for nearly half a century and was one of the comparatively few "old settlers" left. Mrs. Frank Bullard was buried Tuesday last. The services were at the Bullard residence a few miles north of Evansville, and were very largely attended. Mrs. Bullard nee Lupeper was a most estimable lady and her sudden taking off is universally deplored. Woodbury & Son have lowered their store front to the street level, put in plate glass windows, increased their shelf room, and otherwise improved the building. That's the way with Evansville, our business men all want more room, and they make it, our citizens want larger and better houses and they build them, hard times cut no figure. If you think this windy come and look our village over and see what we've done in the last year.

#### JOHNSTOWN PIONEER IS DEAD.

B. F. Palmer Passes Away Monday Morning—Prof. Dwight Kinney in Town.

With his daughter, Mrs. Stone. He leaves to mourn one son, two daughters and four grandchildren, besides many other more distant relatives. Mrs. E. A. Cary is spending the week with Allie Johnson. Professor Dwight Kinney, wife and daughter of Fort Atkinson, are visiting Mrs. Kinney's sister, Mrs. George Roe.

#### PAVER MARTIN STILL HANGS BACK.

Main and River Streets Cannot Be Finished By the Fourth of July.

No word has yet been received from Contractor John Martin, of Oshkosh, in relation to his paving contract, and Main and River street property owners have abandoned the idea of having the paving completed by the Fourth of July, and Alderman Winslow is not smiling as sweetly as might be expected.

## LOOTED THE STORE IN BROAD DAYLIGHT.

### THIEVES ROB G. H. ERREDGE, THE JEWELER.

Screen Door Cut and the Store Entered While Nobody Is in Sight—The Police Have No Clue to the Perpetrators of the Daring Deed.

A bold robbery was committed just before 7 o'clock this morning at George H. Erredge's barber shop and jewelry store, 10 Corn Exchange. The thieves succeeded in getting away with about fifty dollars worth of booty—a gold watch and five gold chains, which they took from the show case. C. A. Reed was in the store a few minutes previous to the robbery.

"I fastened the screen at the back door and went out, locking the front door," said Mr. Reed. "I was not away five minutes, but when I returned the thieves had gone." The back of the store is surrounded with a tight board fence and a door opens through the fence to the alley next to McLean's livery stable. A heavy screen door, fastened by an inside hook was all that was in the way of a forced entrance. The burglars unhooked the fence door by using a short stick. They then cut the screen door near the inside hook, sufficiently to admit a hand, and the door was thus unfastened. They retired the same way. Chief of Police Acheson and Patrolman Kruse were at once notified, but so far no clue has been obtained. Mr. Erredge estimates his loss at \$50.

#### The Democratic Times.

These are good old democratic times. The prosperous times that democrats sought, When the finest wool clothing, from over the way

By the paid mechanics for a song could be bought.

Yes, democratic times with free soap for a diet And militia on tap to keep labor quiet.

You don't have to work, for there's nothing to do; You might go fishing, like Grover, that's true.

Or join Coxey's army, live on the town. Peddle tin cups, if the price would go down. Work for a dollar, ten hours in a day, For that is the highest that democracy pay.

Mortgage your home, your family to feed, Take to the pawn-shop things that you need. Live on the roster that was nothing but crow, Fight for the wages of two years ago.

Yes, these are democratic times without any lying With factories all closed and business dying, With honest mechanics branded as paupers and knaves, More wretched, in fact, than once were our slaves.

—S. Dix.

## COUNTY CONVENTION CALLED FOR JULY 18

### VOTE OF 1888 IS TO BE THE BASIS.

When the Convention To Name County Officers Is Called, There Is Likely To Be a Change, as the Vote of 1892 Will Very Probably Be Used.

Chairman W. T. Vankirk, of the county republican committee today issued a call for the county republican convention to name delegates to Milwaukee. The representation is based on the vote for Harrison and Morton in 1888, but the county convention proper is likely to be based on the vote of 1892. For this reason delegates to the later convention should not be chosen now, or if chosen should be given power to change the representation. The call is as follows:

A republican convention will be held at the court house in the city of Janesville, Wednesday, July 18, 1894, at 2 p. m. to elect 12 delegates to the congressional convention to be held at Racine July 24, 1894. Also twelve delegates to the state convention to be held at Milwaukee July 25, 1894, to nominate state officers. The several wards and towns in Rock county will be entitled to delegates in convention as follows: Avon 2; Beloit 2; Beloit City First ward 4; Second ward 4; Third ward 4; Fourth ward 4; Bradford 2; Center 4; Clinton 4; Clinton Village 4; Edgerton 4; Fulton 4; Harmony 4; Janesville 2; Janesville City, First ward 7; Second ward 5; Third ward 5; Fourth ward 5; Fifth ward 2; Johnson 3; La Prairie 3; Lima 3; Magnolia 3; Milton 3; Newark 3; Plymouth 4; Porter 4; Rock 2; Spring Valley 6; Turtle 4; Union 4; Village of Evansville 5. Per order county republican committee. W. T. VANKIRK, Chairman.

HARPER'S HISTORY OF THE WAR

Harper's Pictorial History is universally recognized as the best history of the war yet published. This superb work has never been sold for less than \$16 to \$30. It has been sold only by subscription and but a very few men have been able to buy it.

The pages are the same size as Harper's Weekly and the work contains all the illustrations appearing in that great paper during the war. The work was edited by Richard Grant White and Henry M. Alden and is authentic, complete and reliable.

We have made arrangements whereby we can furnish Gazette subscribers with this splendid history of twenty-six parts at ten cents a part. These twenty-six parts will contain over one thousand war pictures and will make two handsome volumes when bound.

Many official documents of priceless historic value are quoted in full in the copious foot notes, such for instance as Lincoln's inauguration speeches, articles of federation of the early states, constitution of the United States, ordinance of secession, and many important papers, speeches, etc. The war story is consecutive and very fascinating. The introductory chapters, leading up to the struggle, and the chapter on the reconstruction period, are by some of the first writers of the age.

 1535—John Fisher, bishop of Rochester, beheaded in the Tower; born 1469.  
 1714—Matthew Henry, English Biblical commentator, died; born 1662.  
 1722—George II became king.  
 1748—Thomas Day, author of "Sandford and Merton," died; born 1700.  
 1791—Louis XVI, king of France, while trying to fly from the country, was arrested at Varennes.  
 1806—Emile de Girardin, journalist, red republican and speculative writer, born in Paris; died 1881.  
 1815—Second and final abdication of Napoleon Bonaparte.  
 1861—London visited by a conflagration unparalleled since 1666; the flames raged 15 days; the leader of the fire brigade, Braidwood, was buried beneath falling ruins the first night of the outbreak.  
 1884—At 9 p. m., in Smith's sound, Captain Schley's command reached and rescued Lieutenant A. W. Greely and 6 others, only survivors of the Greely expedition to Lady Franklin bay.

The Rhode Island democratic state committee neglected when it passed a resolution urging the democratic congressmen to support the policy of the administration to say what that policy is, and nobody else has been able to find out.

The democratic senators could stand a little protection on almost everything but wool. The wool growers did not happen to control a democratic senator or two, so they got left. The wool growers have votes, however—nearly a million of them.

Everything political tends towards making the convention of the National Republican League, which opens at Denver next Thursday, the most enthusiastic gathering in the history of the organization.

The Washington police are barking up the wrong tree. The wildest anarchist would not expect things to be destroyed faster than the democratic congress is doing the job.

According to our information and belief it will require more than a decision of the state supreme court to elect a democratic legislature in Illinois this year.

The old question of the need of a new White House at Washington has been revived. The need of a new president is far more pressing at this time.

Nothing can ever make a good citizen out of the fellow who professes to believe that it is a crime to be energetic, thrifty and prosperous.

Quay and McPherson must feel very lonesome in the senate since they acknowledged having speculated in sugar stock.

Senator Gresham would better shoo that senatorial bee away. There are already too many nondescripts in the senate.

## A. E. MATHESON TO PRACTICE HERE

Brilliant Young Man to Take a Place With a Janesville Firm

Alex. E. Matheson, who graduated from the state law school this year will come from Elkhorn in a day or two to take a position in the office of Fethers, Jeffris & Field. The Milwaukee Sentinel says of him:

"Mr. Matheson is one of the few men in his class who has taken his masters' degree. He was graduated from the Beloit college in 1890, but the death of his father soon after forced him to spend two years in conducting his father's business at Elkhorn before beginning the study of law. Last June he was chosen to deliver the master's oration at Beloit college on the occasion of his taking that degree. Mr. Matheson is not only a careful student, but he is also one of the best debaters in the institution. He was almost the unanimous choice of the student body last winter as one of the debaters selected to meet the team from the University of Minnesota, but was forced by outside work to decline the honor. He is now secretary of the Matheson Trading company, of Elkhorn."

## SPARRING MATCH A LIVELY ONE.

O'Donnell and Woods Gave an Interesting Exhibition Last Evening.

Steve O'Donnell and Billy Woods gave a very lively sparring exhibition in Lappin's hall last night. O'Donnell is very quick and shifty for a big man, and gave ample proof of the science that leads his friends to think he will best Jim Hall. Several set-toes between local boxers aroused enthusiasm. Harry George had the best of Hugh Glennon, using a left hand swing effectively. William Irwin showed himself to be a

cleverer man than Robert Courtney, though no decision was rendered. Joe Holloran and Frank Kath sparred four rounds, but didn't "mix" much until the last. The exhibition was in charge of George Brown, John Kline, the Beloit trainer, being referee. The attendance was not large.

## HIGH SCHOOL DRAWINGS WANTED

Local Architects Asked To Prepare Sketches of a Suitable Building.

The special committee of the school board, appointed to secure plans for the new high school building, held their first meeting last evening. The committee arranged the building according to the different suggestions made at the board meeting on Wednesday evening, and then decided to submit the same to a number of architects to make sketches of the proposed building. From these sketches the committee will make choice and submit their conclusions to a future meeting of the board for approval.

### DRUGGIST BROWN STARTS A SENSATION.

Distributing His Possessions Among Friends He Heads for the River—City Hall Site—Lithograph of a card School Bonds Ready—Art League Organized To-Day.

A SUICIDE sensation stirred Edgerton yesterday. Joseph Brown, a bright young druggist, about twenty-eight years old, left his room saying he was "going down to the river." A chambermaid entering his room half an hour later found his clothes laid out in a pile and bearing a card marked: "For George Gladwyn." His books were similarly set aside for Will Doty and his shot gun and loading utensils for Charles Banks. There was a rush to the river, but Brown was not to be seen. The search lasted twenty minutes, when Dr. James Lord saw the missing man walking back toward town. Brown could give no coherent explanation, and it was seen that his mind was affected. Over-work is believed to be the cause and it is thought the derangement is temporary. The young man recently fell heir to \$12,000 by the death of his father in Norway, but has refused to take a rest, working seven days in the week and until very lately sleeping in the store.

AMONG the sites that are mentioned for city hall purposes is the corner known as the S. L. James corner on South Main street. It is exciting favorable attention. This site contains six lots, making a piece of ground 132 by 132 feet, and fronting the park makes it desirable property for any purpose.

TONIGHT the N. O. W. club and their friends will take a boat ride to Mayflower park, where they will trip the light fantastic to the music of Smith's orchestra. The boat will leave its dock at 8:15 sharp. This being a N. O. W. party guarantees it a success.

## BETTER AND BETTER THE RACES GROW.

### TO-DAY'S EVENTS WERE VERY BADLY SPLIT.

Talent, Remembering How They Had Been Dumped on Prime, Were Cautious About Picking Favorites—Starter McCarthy Is Praised—Puffs of Dust from the Stretch.

Spectators at the track did not fry in the sun today the way they did yesterday. A cloudy sky made things more comfortable. Three races were on the card, being the free-for-all—2:17 class, with ten entries, the 2:22 pacing class and the three year old pacing class.

"That is Lissa" remarked one man to another as a dun colored mare was driven upon the track. Everybody who heard the remark turned their heads for Lissa was the favorite in the free-for-all which promised to be the fastest race of the meeting. So much of a favorite was the dun mare that she was barred in the betting.

She is by Peleluma Wilkes and is in charge of James T. Scott of Graham, North Carolina. Aurora Prince was also backed in the books, he selling for 7 to 10 and 4 to 5. The entries in the race in addition to these two were: Maggie N. ch m by Cupid, entered by J. C. Chadwick, Janesville, Snowden b g by Strathmore, entered by George Starr, Terre Haute, Ind. Alta blk m, entered by F. D. Orr, Minneapolis, Minn. Ramona by Whitney, entered by W. L. Ellwood, De Kalb, Ill.; Jerry L g g by Stonewall Jackson entered by F. H. Colby, Minneapolis, Minn.; Kate F. b m, Fugleman entered by George Castle, Chicago Ill.; Maggie Sherman, g m, by Alex H. Sherman entered by F. B. Loomis, Minneapolis, Minn.; Kate Phallamont, b m by Phallamont, entered by Sam West, Juda Wis.

Jerry L. had the pole when the positions were drawn for the free-for-all, with Maggie N., J. C. Chadwick's horse, second; Alta, third; Aurora Prince, fourth; Maggie Sherman, fifth, and Lissa sixth, Kate F. who won a good heat of Freeport, having been drawn. A fall injured her enough so that she wasn't started. When they got off Maggie Sherman took the lead and held it, the finish between her and Alta being very close, with Maggie N. a good third in the lead.

2:22 Pace Not Sized Up

Betting was not exciting in the 2:22 pace last night. Carrie Onward had won the race for that class at Freeport after Dave R had won a heat and Tommy Russell had taken a hand in the fray. Hermie and Robert Elsmere were in lower positions in the Freeport race but in Janesville it might be different. In addition there were Bovee K, John C. Kansas Jack, Lady Belle, Novice and Robert Koch, any one of whom might be an unknown quantity. Carrie Onward was rather the favorite her best time in Freeport being 2:18½. The entries were Bovee K, br s by Royaltan, entered by J. C. Chadwick, Janesville; Dave R, g g by Lucy Horse, entered by J. S. Hutson, Stoughton, Wis.; Kansas Jack, ch g by Alhambra, entered by G. W. Athearn, Oshkosh, Wis.; John C, b g by Dresden, entered by Smith & Jackson, Palmyra, Mo.; Hermie by Escort, entered by B. F. Buell, Paris, Tex.; Novice, owned by G. W. Spear, Minneapolis, Minn.; Robert Koch, b g by Tenn. Wilkes, owned by McKinney Stock Farm, Janesville, Wis.

Tommy Russell had the point of advantage in the 2:22 class racing with Dave R second, Bovee K third, Carrie Onward fourth, Cresco Queen fifth, John C sixth, Robert Elsmere seventh and Hermie eighth. Dave R took the lead at once although Carrie Onward chased him to the lower turn at a lively rate. Dave R turned into the stretch with a good lead but Chadwick then went out for the heat with Bovee K and from a rear position passed them all winning by half a length in 2:18½.

Ethel A, the Favorite Colt.

Ethel A. sold a 10 to 5 favorite over the field in the three year old pacing class. Her good work in Freeport had set her stock above par. At that town she was pitted against five good ones in the 2:35 class, and won the last three of the four heats, the best time being 2:19 flat; a pretty good clip for a 35 three year old. None of the horses in the class here had met her in the race in question, and knowing ones whispered that perhaps it was well to watch some of the dark ones. Ethel A. is a grey mare by Adrian Wilkes, owned by John Conley, of Iowa Falls, Iowa. The other entries were Lady Van by entered by C. L. De Ryder,

TWO FAST ONES WON YESTERDAY. Prince and Harry Pennington Were Too Speedy For the Others.

Harry Pennington finally won the 2:28 class purse yesterday, he having the speed of the bunch. The third heat was taken away from him by reason of a break and a run that was said to be unavoidable but kept him in his position in the lead, but the last one was an easy victory.

Time 2:22½, 2:21½, 2:20, 2:20½.

The last one yesterday was the best of the day. Prime, a pretty daughter of Primo, owned by W. P. Buell, of Paris, Texas, and handled by John Campbell, distinguished herself in this class. Myrtle N., John C. Chadwick's bay mare by Alburn, had designs on the purse in the first. Chadwick drove under the wire a winner in 2:20½ with Alice Berlew a half a length ahead of the Texas animal. The second heat apparently belonged to Myrtle N., or Alice Berlew, the two going down the back stretch like a team. Then Campbell let Prime loose and closed space at each stride until from fifth horse at the three-quarter pole she was lapping the leaders on the stretch, came home winner in 2:23½. The second heat belonged to Maud Wright from wire to wire, but the third and fourth heats fell to Prime, Campbell being contented in the rear rank until the quarter pole was reached and then cutting loose. The Texan mare had wonderful speed and was always in shape to let out another link.

Gossip & From the Track.

CARL BATES, who used to urge Thallberg when he got in a tight place by twirling his tail, which little 'rick nearly won him a race last season, was thrown from his sulky on the back stretch at Le Mars, Iowa, yesterday in the last heat of the 2:28 trot. He was uninjured, although the sulky was wrecked in the unavoidable collision. Newbold, Mr. Bates' horse, was injured, but not badly enough to throw him out of training.

"HELLO! Smith! How are all the horses," is the greeting that follows the hand shake at the track. "How are all the family" is a question seldom asked.

THE bookmakers will have every one "broke" if the tide of fortune doesn't change pretty soon.

YESTERDAY's crowd was the largest for two or three seasons.

## HE FELL AS IF DEAD IN THE HOT SUN.

### JOHN JOHNSON DROPS ON THE STREET.

Bystanders in Front of Ziegler's Store Pick Him Up and Carry Him to Doctor Palmer's Office—Three Hours Later He Attempts to Walk and Goes Down Again.

Quite a stir was created this morning when John Johnson, proprietor of the hotel at Darien, fell to the side walk in front of Ziegler's clothing store. The prostrate man, who seemed to have been sunstruck, was picked up by bystanders, the body being so limp that all supposed he was dead. He was taken into Dr. Palmer's office, when it was ascertained he was suffering from epilepsy. He was cared for and appeared to be recovering, when he was laid on a cot. While the doctor was busy this afternoon, between 2 and 3 o'clock, Johnson got up and left the room, going to the Park House. He had almost reached the hotel when he again fell, sustaining serious bruises on the head. He was taken to the Park House and again cared for. This time the effects of the fit appeared more serious than the first he remaining unconscious for several hours.

PRaise for Starter McCarthy Chicago News Says He Is the Crack Of the Country

Starter J. L. McCarthy was warmly praised for his work in Janesville, by the Chicago Daily News. The News says:

"J. L. McCarthy of Chicago, who is the crack professional starter of trotters, gave the word. It is quite a feather in the cap of Chicago that she should furnish the east with a starter, but that is the way it is this year, as McCarthy has been engaged at Boston, Providence and other points near the seashore. He is a big, ruddy faced good natured man, with a voice that can be heard by the people when he announces the result of a heat. But McCarthy's most valuable attribute is the ability to line up a field of trotters and get them away from the wire in good shape. He is a practical horseman, knows the drivers, and they respect his ability, so that there is no conflict between the men in the sulky and the man in the stand, as is too often the case."

HALL'S SHOW AND THE INDIANS Evansville Circus Is Appreciated by the Noble Red Man.

Charles Hall's circus, which started out from Evansville is now showing among the Indians in the northern part of the state. A few days ago, there were but three white people in the immensely crowded tent. Charlie is working back this way and will show in Evansville again in the near future after which he will go to Florida.

### A MYSTERY SOLVED.

"Clara, it's the loikes o' them wot makes so many of us young ladies ole maids. The fellers get askered o' the milliners' an' the dressmakers' bills."—Life.

### Skirmish in the Boarding House.

"There is very poor taste, Mr. Front-room," said the landlady, severely, "very poor taste, indeed, in your remarks about the fruit."

"Exactly, ma'am," said Mr. Front-room, lightly, as he reached for the sugar bowl. "Exactly; but you must admit, ma'am, that in the matter of taste the strawberries had set me a bad example."—Chicago Record.

### A Great Scheme.

"I want to de magician show lars' night," said Rastus. "An' de way dat feller done tuk dollars out o' de ears ob people what hadn't any dollars 'fore dey come was a caution. I's gwine recommen' him fo' p'sition in our church. He'd be a Napoleon Bony-park for takin' up de colleckshuns."—Harper's Bazar.

"I can hardly say that," she gently replied, "You don't even try to—hold your own!"—Puck.

## GLANCES AT THE SPORTING WORLD

Pitcher Frank B. Killen.

One of the greatest pitchers on the diamond today is Frank B. Killen, the star twirler of the Pittsburgh club. He increased his reputation with the Pittsburgh club last year, but although he

FRANK B. KILLEN.

was born in the Smoky City 24 years ago he made a hit elsewhere before the Pittsburgh magnates considered him good enough to play on their team. He began his professional career with the Michigan league, went to Minneapolis and Milwaukee in 1890 and 1891, and in 1892 pitched winning ball for the Washington club.

Featherweight Billy Plimmer.

Billy Plimmer, the featherweight pugilist who is looked upon as the coming featherweight champion, bases his

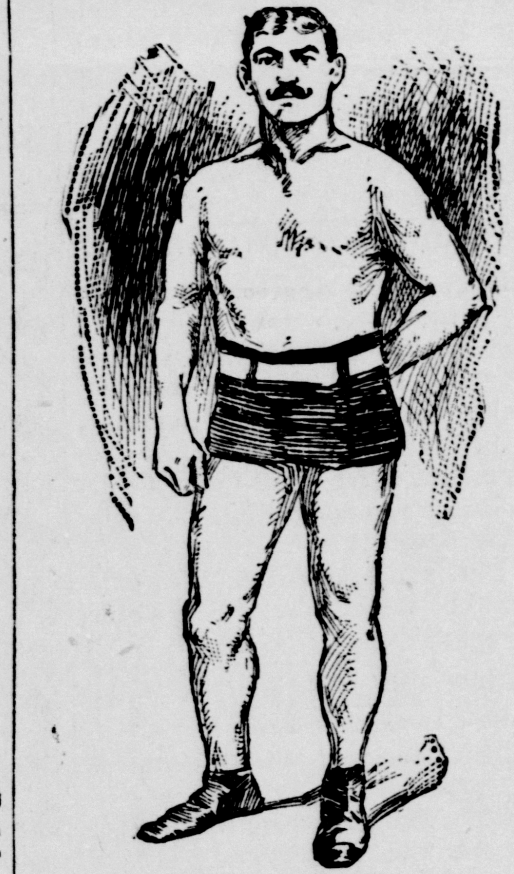

BILLY PLIMMER.

principal claim to fame upon the fact that he bested Champion George Dixon last year in a four round bout. Whether he can do as well in a finish fight remains to be seen. He was born in England about 25 years ago, has won a dozen battles and has never been defeated.

Wrestler Daniel S. McLeod.

Daniel S. McLeod, who claims to be champion wrestler of Canada, Australia and the Pacific coast, weighs 175 pounds

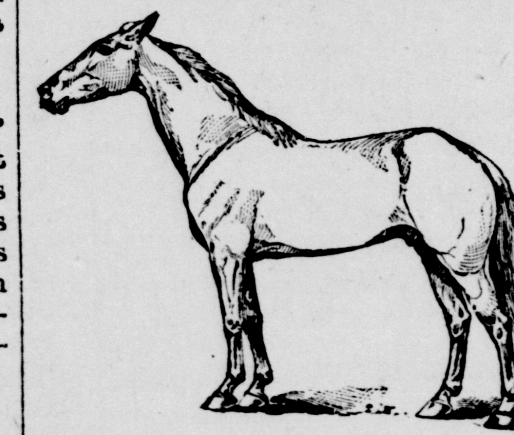

DANIEL S. McLEOD.

and wrestles very well at either catch as catch can or Greco-Roman style. As the former McLeod has but one superior in America—Evan Lewis, "The Stranger."

Mascot, the Pacing Champion.

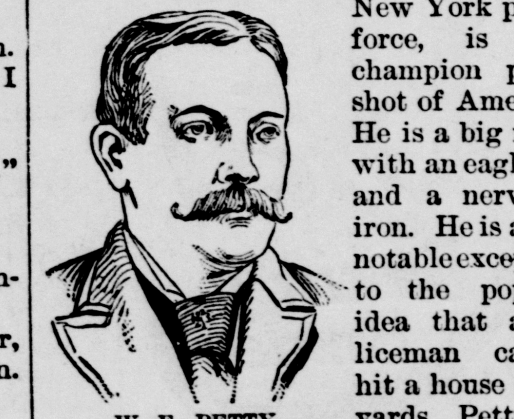

Mascot, the champion pacer, should really share his honors with Flying Jib, who has also paced a mile in 2:04. Mascot made his record in 1892 and failed to improve it last year. In a match race with Directum, the stallion king, Mascot was easily beaten. He is by Decive out of an unknown mare.

MASCOT, 2:04.

Pistol Shot W. E. Petty.

W. E. Petty, a roundsman on the New York police force, is the champion pistol shot of America. He is a big man, with an eagle eye and a nerve of iron. He is also a notable exception to the popular idea that a policeman cannot hit a house at 20 yards.

W. E. PETTY.

Petty has been prominent among pistol shots since 1891, when he unsuccessfully attempted to win the Walter Winan championship trophy. He has since won the trophy and defeated two challengers.

### Nothing Unusual.

Hoax—That fellow Poeticus is an eccentric individual. He calls his girl Winter and speaks of himself as Spring. Joax—Nothing strange about that when you consider that "winter lingers in the lap of spring."—Philadelphia Record.

### His Remedy.

Jack Ford—Do you ever suffer from insomnia? Tom De Witt—No; whenever I can't sleep I just imagine that it's eight o'clock in the morning, and I have been called twice for breakfast.—Life.

### An Unpleasant Sight.

Cholly—Algy must be in love; he hasn't looked in the glass to-day once.

Tom—No; but he's just been dunned by his tailor, and the sight of his clothes makes him just furious.—Cincinnati Enquirer.

### On the Alert.

Potter—Why didn't you join us on our hunting trip?

Blair—Well, I'm not much of a hunter, and I was afraid you might make game of me.—Truth.

**LONG STRING** of diseases and derangements have their origin in torpor of the liver. Deranged appetite, constipation, headache, sour stomach, gassy belchings, indigestion, or dyspepsia, are due to sluggish liver.

MR. JOHN A. DEBERRY, U. S. Inspector of Immigration at Buffalo, N. Y., writes as follows:

"From early childhood I suffered from a sluggish liver. Doctors' prescriptions and patent medicines afforded only temporary relief. I tried Dr. Pierce's Pleasant Pellets, taking three at night and two after dinner every day for two weeks and then one 'Pellet' every day for two months. I have in six months increased in solid flesh, twenty-six pounds. I am in better health than I have been since childhood. Drowsiness and unpleasant feelings after meals have completely disappeared. ## Catarrh

COLD IN THE HEAD relieved instantly by one application of Birney's Catarrh Powder

REV. FATHER CLARK, Sec'y to the Rt. Rev. Bishop of Columbus, Ohio, writes:

"I cannot say enough for your Powder. It has cured me of an aggravated attack of catarrh when nothing else could help me. Am delighted with it. All my friends to whom I administered samples, are quite enthusiastic over it. The good states speak most encouragingly of their use of it in the Hospital under their care. I will do anything to speak a good word for the remedy to help others who are suffering."

M. E. FERGUSON, Custodian U. S. Appraiser's Stores, Chicago, writes:

"Catarrhes—Being almost entirely deaf for a number of years past and getting no relief from many so-called cures which I tried, was induced by a friend to try Dr. Birney's Catarrh Powder for my deafness. Have recovered my hearing entirely, so that I can now hear a watch tick plainly, it being held in inches from my ear. I look upon it as a positive cure for deafness and have recommended its use to many of my friends and can say I have never heard of a case where it has failed to relieve."
